

24.6.09

Hi my name is Alana Taylor.

I'm ten years old.

I have been doing massage for three years.

I really enjoy massage its fun.

My favourites are baker, catgrip and bear-walk.

I think massage is a nice thing to have in our school.

It's great to have in the morning as the siren goes in the morning.

I like doing massage with Corrie because she is so good at doing massage.
